EDUCATION

Google UX Design Certificate

// October 2022 - June 2023, Online

Completed rigorous training designed for entry-level job readiness. 15 modules included topics like UX research fundamentals, inclusive design, low-fidelity and high-fidelity prototypes, and tools like Figma and Adobe XD.

Ateneo de Naga University

// June 2015 - March 2019

Graduated with a degree of Bachelor of Science in Information Technology

EXPERIENCE

UI/UX and Product Development Designer

HackLaunch

// March 2024 - Present

Designed and improved digital products by conducting user research, creating intuitive UI/UX designs, and collaborating with product and development teams. Also supported quality assurance by identifying and resolving usability issues before launch.

Freelance Designer

// August 2021 - January 2024

Helped clients with their needs by collaborating to create engaging and user-centered digital experiences and branding designs.

Designer/Research Assistant

Ateneo Laboratory for the Learning Sciences

// June 2019 - July 2021

Designed and created the UI and elements for educational mobile applications, helped with data gathering, and conducted usability tests.
